

Kantar is home to some of the world's leading research, data and insights brands. Individually, brands such as **Kantar Millward Brown, Kantar TNS, Kantar Media and Kantar Worldpanel** are famous and highly respected experts in their fields. Collectively, they offer the most complete view of consumers – the way they live, shop, vote, watch and tweet – in over a hundred countries worldwide. For the benefit of our clients, Kantar connects these specialists as well as providing access to the wider WPP group of companies and other partners.

Our offer covers the breadth of techniques and technologies, from purchase and media data to predicting long term trends; from neuroscience to exit polls; from large scale quantitative studies to qualitative research, incorporating ethnography and semiotics.
