Alumni Enjoy Scenic Sunshine Coast

Fishing, golfing, swimming, trail walking, cruising and sightseeing were some of the leisure activities enjoyed by 116 alumni and their family members during the Association’s tour of beautiful Sunshine Coast in August.

The highlight of the tour was a 4-km nature trail walk along the majestic mountain, catching the view of exciting rapids during high tide.

The 3-day tour was superbly organised by Committee Member Christina Tsang and her team. There were fond memories of the varied sightseeing programmes, fabulous meals and fun-filled entertainment for the young and not-so-young. These memories and camaraderie shared among alumni will stay with all participants for a long time.

New Executive Committee

At the Annual General Meeting of the Association on September 30, a new Executive Committee with Wilfred Li (BSocSc 1980) as Chair was elected for the Year 2001-2002.

The AGM was attended by 80 alumni, past Chairs, family members and friends. Everyone enjoyed the sumptuous dinner and delightful programme of entertainment, including a nostalgic rendition of HKU cheers!

Private viewing of French paintings

By special arrangement with the world-renowned Royal Academy of Arts, members were given an exclusive viewing of the special exhibition of masterpieces of French painting “From Ingres to Matisse” on September 8, 2001. Drawn from the outstanding art collections of two Baltimore institutions, the Walters Art Museum and The Baltimore Museum of Art, the paintings were rarely seen outside America. The exhibition curator Mary Anne Stevens gave a talk to HKUAA members and guests on the exhibition before they were open to the public. The visit to the Royal Academy was followed by a lunch in London China Town. Altogether, 35 members took part in the event.
