From Class of '80+ Silver Jubilee Organising Committee:

In keeping with the good old HKU tradition, we old (but young-at-heart) folks find our silver jubilee of graduation a good excuse to get together, search our souls and find a way to contribute more to our alma mater and the community.

We launch a project entitled "GROWING PARTNERS" to help build social capital by using the network and resource of the HKU family. We shall seek to enhance the opportunity and exposure for disadvantaged children, and endeavour to help build a more inclusive and caring community.

We look forward to your support and participation by enrolling as a "Blue Partner"!
