Ties Between Two Alma Maters

HKU Sacred Heartists
When Sacred Heart Canossian College, which was founded in 1860, celebrated its 145th anniversary with a series of activities throughout 2005, its Alumnae Association chimed in with the publication of an album of its graduates. The album features 145 alumnae or alumnae groups paying tribute to the education they received at their alma mater. A number of Sacred Heart alumnae are also HKU alumnae and many have found success across all walks of life where they use their abilities to serve not only Hong Kong but also the global village. www.shcc.edu.hk

MISSION OF SACRED HEART CANOSSIAN COLLEGE: We aim at providing an all-round education of Christian virtues and the formation of heart to empower our youngsters to be women of integrity and versatility.

“Fortunate for me and for many others who went through the doors of SHCC, we received a well-rounded education that cultivated our minds, our bodies and our souls.”

“Sacred Heart has provided me not only with academic education, but most importantly, a moral education. I developed a sense of sympathy and a concern for others. I learnt about the importance of selflessness, which in turn inspired me to serve the community.”
