HKU 100 Mooncakes
September 18-19, 2010

Over 1,000 volunteers, including alumni, staff, students and friends, celebrated the Moon Festival with over 2,000 senior citizens who are living alone.

“The senior citizens we visited reminded me that if it were not their generation, we would not have had this great city to live in – after all, they built it.”

Jacob Anderson
Postgraduate student
Department of Social Work and Social Administration
