“For our students, in particular, having the opportunity to question true masters of their craft and engage in a creative dialogue with them is an invaluable experience which they will never forget. This is very much in keeping with some of the chief goals of our new curriculum, which provides students with diverse learning experiences beyond the classroom and encourages critical thinking and all-round development.”

Professor Kam Louie 雷金慶
Dean, Faculty of Arts

Launched in 2008, the University Artists Scheme’s main objectives are to recruit visual and performing artists of international calibre; engage students and the University community-at-large in interaction and dialogue on culture and the arts; and foster students’ appreciation of and lifelong involvement in the arts.

**Nurturing Tomorrow’s Legal Minds**

The “Sun Hung Kai Properties – Kwoks’ Foundation Law Scholarship” was established in 2009 to attract talents from the Chinese Mainland to study for Master of Common Law and Master of Laws (full-time) at the University. The Scholarship provides access for promising legal personnel from the Mainland to first-class common law training which may facilitate legal and judicial modernisation in China. To date, 28 students have benefited from this scholarship.

The Sun Hung Kai Properties – Kwoks’ Foundation Limited believes that education is the cradle for nurturing future leaders of the country and has supported the nation’s educational development for many years.
