Dental Class of 1986  **Turns 25**

“It was a great pleasure to meet our classmates on January 22, 2011, 25 years after our BDS graduation and at a most appropriate and memorable venue: the Lounge and balcony of the Prince Philip Dental Hospital (PPDH).

Fifty alumni, representing more than 70% of our cohort, braved the weather to attend our homecoming. It was especially heart-warming to see old friends from overseas, meet colleagues’ spouses and children, and to learn that one of our younger generation is a current HKU dental student!

Special thanks go to the PPDH Senior Staff Association, PPDH caterers and PPDH Office for making this reunion such an enjoyable event.”
