

Message from Lap-Chee College

Dear Students, Staff, Alumni and Friends,

For the past six years, the HKU Volunteer Team has celebrated the Moon Festival with the elderly – all thanks to the support of alumni, staff, students and friends.

Lap-Chee College is pleased to continue this tradition. We will be visiting the elderly in the neighbourhood and presenting them with gift packs of HKU low-sugar mooncakes, oatmeal and low-sugar soy milk. **You and your family members are welcome to join the Volunteer Team on September 23. You can also make a donation of HK\$100 to support a gift.**

Be ready for interesting encounters this Moon Festival!

Best Regards,

Professor MF Yuen
Master of Lap-Chee College

**This is a Service 100 project since 2010.*
