GLOBAL CONSUMER BANKING FULL TIME ASSOCIATE OPPORTUNITIES

The Full Time Consumer Banking Associate Program trains and cultivates key players in today's changing economic environment. You can look forward to a structured 24 month program comprising development-focused rotations, continuous skills training, dedicated mentorship, and access to regional best practices. Developing your career in our program will enable you to grow quickly into positions of responsibility and help you to achieve your professional ambitions. The full time program typically commences with intensive training that will provide essential skills knowledge as well as a comprehensive orientation to Citi's culture. After initial training, participants will rotate across business areas to gain a comprehensive understanding of Citi.

The Full Time Consumer Banking Associate Program is dedicated to giving future business leaders a complete view of Citi's Consumer Banking business. Through rotations and career development planning, Associates can expect to finish the program with deep expertise in Consumer Banking as well as operational intricacies of Citi. Rotations could be within these business areas:

- Retail Banking
- Consumer Lending
- Cards
- Digital Banking
- Decision Management
- Marketing
- Sales and Distribution
- Operations & Technology
- Risk Management
- Compliance
- Finance

We want to hear from you if...

- You are in your final year of your MBA/postgraduate studies at a top academic institution with good academic results
- You have between 3 - 5 years of work experience prior to your postgraduate studies
- Commitment to personal growth and career development; a strong desire to learn; and success in team environments
