## Our Story

Over thirty years ago, we were known as the small watch company that put their watches in colorful, expressive tins. While we still keep that tradition alive, we've grown to become so much more. Fossil Group Inc. is now a global design, marketing, distribution and innovation company specializing in a variety of lifestyle accessories. Under a diverse portfolio of owned and licensed brands, we make fashion watches, jewelry, handbags, small leather goods and wearables. We are committed to delivering the best in design and innovation across our owned brands, Fossil, Michele, Misfit, Relic, Skagen and Zodiac, and licensed brands Armani Exchange, BMW, Chaps, Diesel, DKNY, Emporio Armani, kate spade new york, Marc Jacobs, Michael Kors, Puma and Tory Burch. From concept to consumer, we bring each brand story to life through an authentic approach to design and an extensive distribution network across numerous geographies, categories and channels.
