

## Teacher of Biology / Environmental Science

Established in 1996, NTK Academic Group is a leading educational service provider in Hong Kong. We specialize in academic tuition for students following international and local curricula, standardized test preparation, and educational planning and consultation services. We are also a fast growing publisher with more than 30 study guides published.

We are looking for committed and confident teachers who are ready to inspire students to be more open to understanding the world around them and guide them along their learning path. The successful candidate will teach various international curricula and levels according to in-house designed course outlines. You will have opportunities to participate in curriculum design and development. We provide continuous professional development workshops and training to our teachers. If you are passionate about teaching and would like to work in a company with a diverse culture, this is the opening you've been looking for.

### Job Responsibilities

- Teach the respective subject of various international curricula and levels in small group or one-on-one lessons
- Design customized lesson plans for students following course outlines
- Execute non-teaching duties such as preparing progress reports, developing and organizing teaching materials
- Assist supervisors in carrying out and participate in academic-related projects
- Report to department heads and the management team

### Essential Qualities

- Bachelor's/ Master's degree or above with strong academic background in related fields
- Excellent grades and achievement in middle or high school
- Commitment to teaching and student-oriented
- Keen to work in education, especially teaching students from multi-cultural backgrounds and working in an international and culturally diverse company
- Responsible, diligent, organized and open-minded towards learning
- Able to work independently as well as in teams in a positive manner
- Knowledge in international exams and syllabuses is an advantage
- Fluent in English
- Applicants with more relevant experience may be considered for the position of Senior Teacher
