Join NAMI. Be a Materials Expert!

Headquarters
- Business Development Manager (Ref. 20013)
- Assistant Marketing Manager (Ref. 20003)
- Temporary Assistant Accountant (Ref. 20011)

Energy
- Technical Manager – Energy Efficiency Technology (Ref. 19015)
- Senior Engineer / Engineer – Antimicrobial or Anti-pilling Fabric (Ref. 20014)
- Engineer - Functional Fabric or Fiber Development (Ref. 19050)
- Senior Engineer / Engineer – Monomer & Organic Synthesis (Ref. 19052)
- Engineer – Energy Technology (Ref. 19037)

Environmental
- Technical Manager – Environmental Technologies (Ref. 19034)
- Engineer - Insulation Composite Materials (Ref. 19043)
- Senior Engineer / Engineer – Electro-polishing (Ref. 19040)
- Engineer – Biodegradable Plastic and Plastic Recycling (Ref. 19036)

Construction
- Engineer – Nanophotonic Material Development (Ref. 20010)
- Senior Engineer / Engineer – Geopolymer Concrete Materials (Ref. 20004)
- Engineer – Additives for Bituminous Pavement (Ref. 20002)
- Engineer – Advanced Materials for Construction (Ref. 19038)
- Engineer – Polymer Based Construction Materials (Ref. 18053)

Electronics
- Senior Engineer – Functional Polymer and Ink Formulation (Ref. 20009)
- Engineer – Electrochemistry of Advanced Battery (Ref. 20006)

Healthcare
- Engineer – Experimental Design and Data Analysis (Ref. 20014)
- Engineer – Polymer for Biomedical Applications (Ref. 19048)
- Engineer – Functional Polymer (Ref. 19039)
