

## WYND CO-WORKING SPACE

WYND is a community of creators that widens your network and dimension. We provide lifestyle work space with vibrant community and services to our members whereby helping them to make a life, not just a living. We are the most supportive and dynamic office space and community for early stage businesses, startups, and entrepreneurs of all types. Every member of our team is entrepreneurial in spirit, we work hard and play hard. We're here to have fun but most importantly we're here to very seriously drive the members of our office community (and one another) forward.

We currently have an exciting opening for an **Assistant Community Manager** in our expanding Hong Kong based team.

# ASSISTANT COMMUNITY MANAGER
