

Make things possible.

Goldman
Sachs

Legal Analyst (Full-Time)

Legal Division (Singapore)

ABOUT GOLDMAN SACHS

At Goldman Sachs, we connect people, capital and ideas to help solve problems for our clients. We are a leading global financial services firm providing investment banking, securities and investment management services to a substantial and diversified client base that includes corporations, financial institutions, governments and individuals.

ABOUT OUR LEGAL DIVISION

The Legal Division provides high quality legal advice, transactional advice, regulatory advice, litigation oversight and advice on compliance and reputational issues. Our goal is to help our businesses complete their transactions and understand and weigh the risks associated with our activities. In many cases, our lawyers, along with other professionals, assist the business areas in structuring transactions in order to capitalize on business opportunities while optimizing risk. The Legal Division maintains offices in New York and most other major financial centers around the world. The Legal Division is organized into practice groups that provide dedicated service to the firm's various businesses.

JOB RESPONSIBILITIES

As an analyst in the Legal group, you will work across legal areas in two rotations, one primarily with Global Markets Division Legal, and the other primarily with Consumer and Investment Management Division Legal. You are expected to be proactive in assisting to guide the businesses on legal matters and substantial transactional involvement will be a feature of this position. You will have the opportunity to work closely with business professionals across the firm, as well as with outside counsel. Your responsibilities will include:

- Providing legal support to the Prime Brokerage business, negotiating onboarding and transactional documentation with clients and helping the team and business with larger projects such as licensing and product offering expansion.
- Providing legal support for the Cash Equities trading business, negotiating Brokerage Agreements and ETF-related agreements, dealing with terms of business negotiations and client side letters.
- Working with external counsel to navigate the legal and regulatory landscape on existing and new product offerings throughout AEJ and ANZ.
- Liaising and coordinating with other relevant groups throughout the firm, including other members of the legal department, credit, treasury, compliance, controllers, operations, tax.
- Assisting with performing reviews of client capacity checks and liaising with counsel on related questions.

Make things possible.
