

2021 Gap Year Internship Program - Credit Strategy Team in Global Investment Research Division

ABOUT GOLDMAN SACHS

Goldman Sachs is a global investment banking, securities and investment management firm. We provide a wide range of services to a substantial and diversified client base that includes corporations, institutional investors, governments, non-profit organizations and high net worth individuals. Our headquarters are in New York and we maintain significant offices in London, Hong Kong, Singapore, Tokyo and other financial centers around the world.

ABOUT GLOBAL INVESTMENT RESEARCH

Global Investment Research (GIR) drives commercial transactions through thought-leading research. Economics Research formulates macroeconomic forecasts for economic activity, foreign exchange and interest rates based on the globally coordinated views of its global and regional economists. Commodities Research provides views, forecasts and recommendations on energy, industrial metals, precious metals and agricultural commodities. Equity and Credit Strategy Research formulates market forecasts, provides opinions on both asset class and sector allocation, and suggests ways to implement strategic views via various asset classes and/or derivatives.

GLOBAL INVESTMENT RESEARCH GAP YEAR INTERNSHIP PROGRAM OVERVIEW

This Gap-year internship will sit with our Credit Strategy Research team for a period of 1 year in Hong Kong. This is an opportunity for the intern to gain broad knowledge on economies and fixed income markets, obtain skills on data researching and critical analysis, as well as hands on experience in financial information technologies.
