The Old Halls Alumni Association held its Annual Dinner in November 2002. 160 Old Hallites and friends joined the Association's Annual Dinner in November, with special guests including Vice-Chancellor Professor Lap-Chee Tsui and Director of Broadcasting Mr Chu Pui-hing. A pre-dinner visit to the newly-renovated Eliot Hall added a fine touch to the evening. A new recording of the Hall Song was played for the first time.

The Association organised a seminar for new graduates of U Hall in January at the Hong Kong Club. Entitled "Way Ahead for University Graduates of Hong Kong", the seminar was conducted by outstanding alumni Chan Wing-luk, John Chan and Leong Che-hung, whose words of wisdom were most inspiring. The seminar was attended by over 70 members and graduation class of U-Hallites.

Reunion Dinner

The traditional Reunion Dinner took place on December 13, 2002 at the Hall. Alumni had a wonderful time with the students and past staff members of the Hall.

Kung Ming-wai

The Association is saddened by the loss of director Kung Ming-wai (BA 1995), who passed away peacefully on January 1, 2003. Hong Kong's First Honorary Senior Counsel

"A teacher affects eternity; one can never tell where the teacher's influence stops."

Chief Justice Andrew Li,
at the Ceremony for the
Admission of New Senior Counsels

Professor Johannes Chan shares his honour with his wife and daughter.

Professor Johannes Chan 陳文敏 (LLB 1981; PCLL 1982), Dean of the Faculty of Law and a well-known academic and barrister in the area of human rights, constitutional and administrative law, was appointed as the first Honorary Senior Counsel in Hong Kong. This recognition is well established in the United Kingdom and honours distinguished contributions made by eminent academics in the field of law to legal scholarship and the legal community as a whole.

Professor Chan's appointment is unprecedented in Hong Kong. He believes that his appointment, apart from being a personal honour, will strengthen the ties and co-operation between academia and the legal profession. This co-operation is essential to maintaining by excellence in legal education;

to ensure the continuity of a distinguished and thriving legal profession; and ultimately, to uphold the independence of the legal system and rule of law as cornerstones of Hong Kong's success.
