# **President's Report**

## **2019 - 2020**

It is with gratitude that I present this 2019/2020 report on behalf of the Executive Committee of Hong Kong University Alumni Association NSW Chapter, in the knowledge that our members and their families are well during these difficult times. We are aligning our annual report with the financial year from 1 July 2019 to 30 June 2020.

### **❖ Annual General Meeting:**

**Annual General Meeting, Saturday 24 August 2019, Marigold Restaurant, Haymarket**

Thirty-four voting members attended with their guests, making a total of four tables. At this meeting, the incoming 2019/2020 Executive Committee was elected ipso facto. Important to note is that the Special Resolution to amend the Rules of the Association was passed successfully by a majority vote. The AGM was highlighted by two speakers, Dr Terence Lam, our Hon Secretary, who delivered a talk on “Building Defects”, a hot topic. The second speaker is Dr Gabriel So, who talked about Cyber Security from a user perspective.

### **❖ Social Activities:**

**a) Innerwest Social Lunch, Saturday 19 October 2019, Flavours of Beijing Restaurant, Ashfield**

This is a first for the Association, thanks to the initiative and organization from Dr Gareth Ho and Mimi Ho, in response to members' interest to have a social event in the south. Members from the northern suburbs crossed the Harbor Bridge to partake of a most scrumptious Peking Duck lunch with a difference, resulting in three tables.

**b) Table Tennis Fun Tournament, Saturday 16 November 2019, Tennisworld, Chatswood West**

After a hiatus of some years, this event was enthusiastically attended by twenty competition players and their families and friends. The participants then moved on to a very enjoyable dinner in Chatswood after the Tournament. As a result of the renewed interest in Table Tennis, a social Table Tennis Group convened in February 2020 and managed to meet for several Sunday sessions before it ceased due to

NSWHealth COVID advice. We intend to resume again when we can.

**c) Annual Xmas Lunch, Saturday 14 December 2019, King Dynasty Restaurant, Chatswood**

We farewelled 2019 with a bang – our Annual Xmas lunch has now become an annual institution, enthusiastically subscribed and well attended by sixty members and their guests; with introduction of new members and a raffle draw. The lunch ended with some rousing singing of popular Christmas carols.

**d) Monthly Yum Cha Lunch, King Dynasty Restaurant, Chatswood**

These very popular lunches held on the last Thursday of each month were convened by our past president John Au, continued throughout 2020 except the lockdown period in March, April and May 2020. When the COVID restrictions were eased, the yum cha lunches in Chatswood resumed, much to the delight of our members who welcomed the chance to reconnect face to face again.

**❖ HKU Mentorship Programme:**

HKUAANSW continues to support the HKU Mentorship Programme despite the pandemic. For the first semester of the Hong Kong University academic year (September to December 2019), HKUAANSW accepted five mentees. They arrived in September 2019 and enjoyed three months of the beautiful Sydney weather and a busy academic life before returning to Hong Kong for Christmas.

For the next February to June 2020 semester, HKUAANSW continued to support HKU exchange students in Australia, albeit in a limited way due to Covid-19. We have the largest number of student arrivals ever in January and February 2020, eleven in all. It was also heartening to see three new mentors put their hands up to volunteer. A welcome lunch was organised for the mentees on Saturday 29 February 2020 at Marigold Restaurant, Haymarket, attended by a happy crowd of 15 mentors and mentees.

Further personal contact and group activities however were curtailed due to the COVID lockdown. Our volunteer mentors remained in contact with 10 of the 11 students and maintained good rapport with them and were able to support them in their initial settlement in Sydney, as well as during the lockdown in NSW in March and April of 2020. All our mentees have now returned safely to their families in Hong Kong.

### ❖ **Outreach and Community Liaison:**

Our close relationship with Hong Kong Economic and Trade Office and Alumni groups of other Hong Kong Universities continues. In October 2019, HKUAANSW was pleased to receive a Community Appreciation Award from the Australian Chinese Medical Association (ACMA) in recognition of its support and contribution to ACMA.

The quarterly 4-Uni lunches also continued in September (hosted by HKUAANSW) and November 2019 (hosted by HKPoly U), before they were deferred for the March and June 2020 events. The 4 Uni presidents remained in contact by whatsapp and email to share views on how best to maintain contact with our members despite COVID restrictions.

### ❖ **Year 2020:**

What an extraordinary year!

It seems unimaginable in early 2020 as we welcomed the new year that our daily life would be so suddenly upended. Adhering strictly to NSW Health's advice, we cancelled our Chinese New Year Annual Dinner, and deferred our Annual BBQ usually held in the month of May. Relative to the rest of the world, we are thankful that we remained connected via our very active whatsapp group and our Newsletter.

I personally wish to thank our hardworking Executive Committee, and the unwavering support and understanding of our members during this year of pandemic.

## 唐詩隨想

*Our long-standing member Mr Alan Tang (鄧樂怡) penned his personal views on several poems of Tang Dynasty. Mr Tang graduated with B Soc Sc (Hons) in 1978 and was a hallmate of Old Halls from 1975 to 1978.*

唐詩是中國文學瑰寶，題材多元化，有遊子思鄉、閨怨、宮怨、自嘆、送別、傷時感懷、懷人、邊塞風物、反戰等，但其中亦不乏有趣，情味雋永之詩篇，委婉動人，百看不厭。三更有夢書（唐詩）當枕，千里懷人月在峯。唐詩每日陪伴我。背誦唐詩，增廣見聞，增加生活情趣。為我們生命加入新動力、新元素。

白居易，年方十六作「草」詩及後往長安赴試，攜詩作謁見當時大名儒顧況，顧以其名字開玩笑說：「米價方貴，居亦弗易（長安物價貴，居亦不易）。」「離離原上草，一歲一枯榮。野火燒不盡，春風吹又生。遠方侵古道，晴趣接荒城。又送王孫去，萋萋滿別情。」顧看見白之第一首詩草即嗟賞曰：「道得個語，居即易矣」。被顧「說項」後，白聲名大噪，一試中舉。「野火燒不盡，春風吹又生」，顯示詩人之倔強刻苦，頑強之鬥志之生命力，何愁不名傳天下呢？屢敗屢戰，豈愁大業不成呢？肯拼搏，總會有出人頭地的一天。如松下幸之助、李嘉誠、呂志和、劉鑾雄、蓋茨、孫正義、陶華碧、馬雲等商業巨賈，不斷奮鬥，終成大業。

孟浩然「歲暮歸終南山」：「北闕休上書，南山歸敝廬。不才明主棄，多病故人疏。白髮催年老，青陽逼歲除，永懷愁不寐，松月夜窗虛。」「新唐表」引「唐摭言」孟浩然被王維邀約，巧遇玄宗，浩然誦新作，玄宗聞「不才明主棄」

句，不悅，說：「卿不求仕，朕未嘗棄卿，奈何誣我？」因而不得士進。「用詞不當」，被棄用，奈何！賢才不為世用。千古多少文士豪傑，懷才不遇寂寞空虛一生。人生際遇，恐由命運主宰。莫非「志士幽人莫怨嗟，古來材大難為用。」三國諸葛亮（孔明）比孟浩然際遇天壤之別，得蒙明主劉備三顧草廬，禮遇有加，力邀出山相助，三分天下，終成大業。不然終老臥龍崗。才大志大如無伯樂賞識，偉材亦被浪費、棄用。

項斯之際遇比孟浩然好得多。項斯攜詩謁見名士楊敬之。楊大力推薦他，「說項」的典故由此來。「幾度見詩詩總好，及觀標格過於詩，平生不解藏人善，到處逢人說項斯。」福星高照，貴人扶持，一試中舉，天下聞名，光宗耀祖。人生命運際遇各不同，奈何。一生都是命，半點不由人。一生都是命，命裏無時莫強求。

孟浩然之功名際遇，真不好，令人神傷。但唐詩中秦韜玉之「貧女」：「苦恨年年壓金線，為他人作嫁衣裳」。貧賤之可怕、可憐，令人更神傷。現今世代，貧富極之懸殊，已經產生了「低慾望年代」、「不求力爭上游年代」、「進入下流老年一族」，令人膽寒、憂傷，實是可怕。世紀瘟疫過後，情況更加嚴峻，更加令人擔心。

此外，唐韓翃亦比孟浩然幸運得多。詩作品偶得龍頭望，蒙皇帝恩寵有加。詩作《寒食》：春城無處不飛花，寒食東風御柳斜，日暮漢宮傳蠟燭，輕煙散入五侯家。皇帝指名「春城無處不飛花」之作者韓翃加以獎賞。孟浩然知道此事，一定從墓裏走出來，大嘆同人不同命，事物玩弄人，奈何。奈之何！「無可奈何花落去，似曾相識燕歸來。」

何謂人生最快樂之事呢？中六合彩、女友答應婚事、入大學、洞房花燭夜、屢

獲晉昇、大難不死、久病初癒等，讀者認為如何？「樂語聯句」顏真卿、張薦、李萼、清晝（僧皎然）為大家提供人生最快樂之事為：「苦河既濟真僧喜，新知滿座笑相識，戎客歸來見妻子，學生放假偷向市。」

筆者認為「精神上的快樂」才是永恆。「平常心」又如何呢？快樂因人而異，但「責任之完成」一定會覺得快樂。如見宋蘇東坡詩云：「此生已覺都無事，今歲仍逢大有年，山寺歸來聞好語，野花啼鳥亦欣然。」知足常樂，大家贊成否？我們不快樂，因為我們刻意追求快樂；追求物質、官能上之快樂享受；把不快樂放下，自由生活，就是快樂。獨樂不如眾樂。不攀比，知足常足，知足常樂，知止不恥，知足不辱；智者自渡。「野渡無人舟自橫」。

祖詠之「終南望餘雪」云：「終南陰嶺秀，積雪浮雲端，林表明霽色，城中增暮寒。」這首應試詩，才高八斗之才子祖詠祇五絕就稱「意盡」，不願意以辭害意，畫蛇添足傳為詩林佳話，其孤高瀟灑非凡之性格，視試帖詩六韻十二句的五言排律為無物。城中雪後增寒，終南山壯觀之美景，描寫細緻，富韻美，生動別緻，活現字裏行間。無怪王士禎「漁洋詩話」云古今詠雪詩祇有陶潛之「傾耳無希聲，在目皓已潔」與王維「灑空深巷靜，積素廣庭閒」各二句與祖詠之「詠雪」互相輝映，為我國詩壇放一光華。可見唐詩之絕妙神韻，用字之工整，情意深遠。

賈島與孟郊皆為著名之苦吟詩人，用字精闢，一絲不苟。「但求一字穩甘受五更寒」他因苦練「鳥宿池邊樹，僧推（敲）月下門」句，「推」、「敲」二子，難於取捨，一時不慎，騎驢衝入京兆尹韓愈儀仗隊，千古傳為佳話。韓退之指引下，當然「敲」字比「推」字較貼切、有詩意，有意境，有聲、有動作。未知讀者諸君同意否？「二句三年得，一吟雙淚流。」，其名句「獨行潭底影，數息樹邊身。」「樵人歸白屋，寒日下危峯。」

張繼楓橋夜泊乃日本人最愛及最欣賞之唐詩。亦是筆者至愛詩篇。

月落烏啼霜滿天，江楓漁火對愁眠，  
姑蘇城外寒山寺，夜半鐘聲到客船。

此名詩情味雋永，意境高妙，仙品之作。

張繼上京考試，不幸落第，回途路過寒山寺，功名富貴十字路枷鎖，心中惆悵憂愁，不知如何向家鄉父老交代，如詩中盡悲涼失落，後經方丈開導始釋懷。三年後得進士，再赴寒山感謝，唯大師已仙遊，鑄鐘一口回報，但經戰亂，原鐘已不知去向。歲月無情，人物情懷歷盡滄桑。黃粱一夢。不堪回首，明月滿西樓。「今古幾流轉，身世兩奔忙」。

唐詩中寫情景之詩篇很多。其中筆者最為欣賞之名詩篇二首為柳宗元之《江雪》  
「千山鳥飛絕，萬徑人蹤滅。孤舟蓑笠翁，獨釣寒江雪。」獨創高妙，自然混成，清新意深，描寫寒冬雪境，清奇冷絕，前無古人，後無來者。好！好！好。第二首為大山水詩人王維之《鳥鳴澗》：「人閒桂花落，夜靜春山空。月出驚山鳥，時鳴春澗中。」絕對清妙高遠，「詩中有畫，畫中有詩」，神悟高端之作也。「空山新雨後，天氣晚來秋。明月松間照，清泉石上流。」「言有盡而意無窮，清靜玄妙之藝術作品流傳後世，壓卷之名詩作品。

少壯奔波為名利，老馬千里須還鄉。「富貴本無心，何事故鄉輕別」，窮不走親，富不還鄉。未老不還鄉，還鄉須淡泊名利，寧靜致遠。聽風聽雨眠，濯足清泉，倦腫松根下，悠然見南山。「蹉跎莫遣韶光老，人生唯有讀書好」。

## Other Side of the Table

*Our past President and present long-standing committee member  
Dr Chak Man Chung (MBBS) retrospected his treatment for prostate carcinoma  
from a patient's perspective*

Early July this year I did my annual PSA (Prostate-Specific Antigen) test and was surprised to find that it was much higher than my last reading. I repeated the test and it was even higher. I did a magnetic resonance imaging and it showed suspicious cancerous lesions in the anterior lobe. I consulted my urologist and did a biopsy of the abnormal area. The pathologist confirmed prostate carcinoma and yesterday (27<sup>th</sup> August, 2020) I had robotic prostatectomy at Macquarie University Hospital.

I have been checking my PSA level after the age of 60 and had a prostate biopsy done in 2014 which was reported to be normal. Since then I continued to monitor my PSA by having an annual PSA test. As I always tell my patients that prostate cancer in men is like breast cancer in women and it is common with advancing age. In this respect I am not too surprised that some part of my prostate gland had increased mutation.

My urologist gave me two options, both of which would produce similar results in terms of prognosis. The first one was surgery and he recommended robotic prostatectomy because the operation time would be shorter and the discharge could be done after two nights in hospital. This is recommended for males at 65 or under. For patients at 75 or above, he would ask them to consider radiotherapy because complications of radiotherapy usually appear 5 to 10 years later and it saves the patients from possible complication of anaesthesia and immediate post operative bleeding, etc. He recommended me to undergo surgery because my general health was good at that moment.

Because of the patient appointment I informed one of my relatives about the illness and later on as my daughter had disclosed the news to some of our mutual friends, we received a lot of encouragement and prayers from relatives and friends. Their show of love has meant a lot to me and made me face the operation with courage.

The operation lasted for two and half hours and thanks to the skill of the surgeon, there was

no complication. Last night the duty nurse was a bit lax and she stopped my intravenous infusions after giving me the midnight dose of antibiotics. In order to have adequate urine output, I drank a lot of water. Unfortunately postoperative paralytic ileus means gas was not passed and gaseous distension caused extreme nausea. I needed an intramuscular maxolon injection to relieve the nausea and had no sleep at all. My systolic BP dropped from 140 to 117 mmHg and the urine output was reduced.

Fortunately the sister in charge this morning immediately recognised the problem of dehydration and turned on the intravenous drip to give me one litre of water. She also gave me an injection of olandazone to stop the nausea and I was allowed to drink a cup of milk tea which agreed with my stomach.

After I replenished my energy she removed my abdominal drain and attached a urine bag to the side of my leg so that I can move around. She emphasised the importance of walking to bring the gas up to allow passage of wind. I felt so much better after I passed wind and was able to eat a normal dinner tonight. Hopefully I could be discharged home tomorrow morning with an indwelling catheter. This catheter would be removed in one week's time and I might be able to work in two to three weeks.

In life we have to face a lot of hurdles and sickness is one of them. Early detection of problems is very important and good advice is always needed. If we worry all the time, our life will be very miserable. When sickness does rise, try to get the best men or women for the job, and put your trust in his or her advice. Sometimes too much advice may actually lead you up a wrong path. I was really lucky to have the best surgeon and the best nurse. Most of us should live a healthy life so that we can stand adversity much better. Finally I treasure all the encouragement and prayers from my family and friends, their support is invaluable in time like this.

*(Dr Chung wrote this article in the hospital on 28 August, 2020 before discharge. Being a prolific blogger, he has kept posting articles on the website “[www.reflectionfromchak.blogspot.com](http://www.reflectionfromchak.blogspot.com)”, which welcomes everyone.)*
